school

"I've loved every single interaction with my mentee! It is amazing how much I have learned from him, and how fulfilling is to observe the impact your time and guidance can have in their college experience. PCF does an outstanding job selecting scholars who are bright, committed and eager to learn and give 100%, which makes our job as mentors extremely easy."
Rafael D.

Mentors commit to:

- Support a 1-st gen scholar throughout college
- Provide 2 hrs/month of meaningful social/emotional, college, and career guidance and advice with support from PCF College and Career Services teams
- Adhere to a confidentiality agreement
